Dear Parents and Carers,

Thank you for your patience while we have been implementing the new Schools Comms system.

We have been reviewing the snacks that we provide to the children during morning break and trying to make it as easy as possible for you to book and pay for a snack.

In order to speed things up at breaktime and reduce the time the children spend queuing; we have streamlined the menu. All snacks will be one price, making it easier to budget once parents have paid for snack, children will be able to choose everything on offer. (You can allow your child to purchase more than one snack at a time by choosing 'snack' twice or three times.)

Children in Key Stage One will still be provided with a fruit snack. We will also allow children to bring in a piece of fresh fruit from home.

Please see the attached poster for information. This new snack menu will be available from Monday 3rd March.

If you have any questions or issues with School Comms, please contact the school office.

Kind regards

Mrs Debbie Eccles
Head of School
